**General Schedule**

- To be considered your resume material must contain a specific listing of course work as indicated below. Complete with titles and credits earned. Basic Requirements for Supervisory Community Planner, GS-0020: Degree: community planning; or related field such as urban affairs, architecture, landscape architecture, engineering, sociology, geography, economics, political science, or public administration that included at least 12 semester hours in the planning process, socioeconomic and physical elements of planning, urban and regional economic analysis, and development finance. Note: Applicants with degrees in related fields, such as those listed above, who do not have the 12 semester hours of specified course work must have had at least 1 year of work experience in community planning acquired under the supervision and guidance of a community planner. OR Combination of education and experience--courses equivalent to a major in one of the above disciplines, or a combination of related courses totaling at least 24 semester hours in any combination of the above disciplines of which at least 12 semester hours were in the planning process, and socioeconomic and physical elements of planning, plus appropriate experience or additional education. In addition to the Basic Requirements applicable for each individual series, the following is required. SPECIALIZED EXPERIENCE: To qualify applicants must possess 1 year of specialized experience equivalent to the GS-12 level. Specialized experience is defined as knowledge to lead, manage and integrate the work of professional and technical employees engaged in investigating and preparing reports on civil works investigations for the most efficient and beneficial use of water and related land resources. Ensuring overall successful mission execution; or other work that is typically in or related to the work of the position to be filled. These duties are examples of qualifying experience. They are not intended to be all-inclusive.
- The experience described in your resume will be evaluated as related to the qualifications, knowledge, skills and abilities required for this job.
- Applicants who have held a General Schedule (GS) position within the last 52 weeks must meet the Time in Grade Restriction.
- One year of experience in the same or similar work equivalent to at least the next lower grade or level requiring application of the knowledge, skills, and abilities of the position being filled.
- Must have 52 weeks of Federal service at the next lower grade (or equivalent).
- GS-12 and above: Bachelor's degree directly related to this occupation and 1 year of experience directly related to this occupation equivalent to the next lower grade level.
- 0000 Miscellaneous Occupations
- 0100 Social Science, Psychology, and Welfare
- 0400 Biological Sciences

- 0800 Engineering and Architecture
- 1300 Physical Sciences

**Other Information:**

- Selection is subject to restrictions resulting from Department of Defense referral system for displaced employees.
